

Borough Hall, Longport, N. J.
April 25th., 1925.

A regular meeting of the Board of Commissioners of the Borough of Longport was called to order at 2 P. M. by Acting Mayor Goldsmith.

Mr. Goldsmith and Mr. Rainier answered present to roll-call.
Mr. Lavino was absent.

Mr. Rainier moved that the reading of the minutes be dispensed with.
The following vote was taken:

Commissioner	Rainier	Aye
Acting Mayor	Goldsmith	Aye

Two Ayes and no Nays.

Jacob Frye, Engineer in charge of the Water and Electric Light Systems, presented a requisition for four water meters, five iron covers for meters, five lengths of terra cotta pipe and repairs to jack shaft on pump.

Mr. Goldsmith moved that the Clerk be directed to order supplies and repairs as per the Engineer's requisition.

The following vote was taken:

Commissioner	Rainier	Aye
Acting Mayor	Goldsmith	Aye

Two Ayes and no Nays.

Mr. Rainier called for an ordinance relating to the election, qualification and term of office of Building Inspector and to regulate and control the manner of building dwelling houses and other buildings in Longport, which was read by the Clerk.

Mayor Goldsmith called upon persons present to be hear on the ordinance.
There was no response.

Mr. Rainier moved that the words 'have or maintain' be stricken from Section 13 and that the word ' or ' be inserted between the words 'erect, construct', in that Section and that the following sentence be added to Section 17: "Provided, however, that nothing in this section shall apply to any portion of a building built or extending over tide water."

The following vote was taken on the amendments:

Commissioner	Rainier	Aye
Acting Mayor	Goldsmith	Aye

Two Ayes and no Nays.

Mr. Goldsmith moved that the ordinance as amended, pass second reading and be adopted.

The following vote was taken:

Commissioner	Rainier	Aye
Acting Mayor	Goldsmith	Aye

Two Ayes and no Nays.

The above mentioned ordinance, as amended, appears on the following page.

Mr. Goldsmith moved that Edward Dutton be appointed Assistant Borough Clerk and Assistant Tax Collector for a term of one year.

The following vote was taken:

Commissioner	Rainier	Aye
Acting Mayor	Goldsmith	Aye

Two Ayes and no Nays.

or his agent or to the contractor in charge of the work, provided that no such change shall be made except it conforms to the provisions of this Ordinance.

No permit shall be issued by the Building Inspector for the erection, alteration or construction of any building requiring fire escapes until a plan showing the location of the fire escapes has been filed with the Building Inspector.

Section 6

It shall be unlawful to proceed with the erection, enlargement, alteration, moving, repair or removal of any building or part thereof, any fence adjoining any public highway or any platform or staging to be used for standing or seating purposes, or of any structure within the meaning of any of the provisions of this Ordinance, unless a permit shall be obtained from the office of the Building Inspector.

Section 7

It shall be the duty of the Building Inspector to visit and inspect every house or building in the course of erection, alteration and construction for which a permit has been applied, and to inspect each and every house or building in course of erection, alteration and construction within the limits of Longport, to see that such house or building is being erected, altered and constructed according to the plans and specifications thereof, and to the provisions of this Ordinance, for the safety of the occupants thereof; that the materials used are all suitable for the purpose, and that the work is being done in a substantial and workmanlike manner, and is of sufficient strength and solidity to answer the purpose for which it is designed; that his visits and inspection shall continue from time to time during the erection, alteration and construction of such house or building, and until such house or building shall have been completed, said Building Inspector shall have the power to direct and require provisions to be made in relation to counter arching over all spaces and openings to be used for public and manufacturing

or by herring-bone bond.

Foundation walls of all frame main buildings to be not less than eight inches, brick or stone concrete.

Porch piers, piers for one-story rear kitchens or rear sheds not less than twelve inches.

Four-inch brick wall may be used between porch pier.

Footings of concrete for frame buildings to be ten inches in depth and eight inches wider than the wall carried on them.

Footings of concrete for two-story brick buildings to be fourteen inches in depth and twelve inches wider than the wall carried on them.

Footings for three-story brick building to be eighteen inches in depth and twelve inches wider than the wall carried.

Footings for four-story buildings and over to be determined by the Building Inspector.

No eight-inch brick wall to be over twenty-two feet in height.

Twin houses and houses built in rows must have an eight-inch brick fire wall between each building, carried above the roof at least twelve inches.

Section 11

In all buildings hereafter erected, altered or constructed, all chimneys shall be built of brick, stone or other non-combustible materials. Brick chimneys shall have at least eight inches of brick work all around their flues, unless same are lined with terra-cotta flue linings, in which case four inches of the brickwork may be omitted; the inside of all chimneys shall be of hard-burned brick, and to have all joints struck, except where the flue linings are used. All chimneys shall be topped out at least two feet above the apex of the roof. Chimneys extending eight feet and over from any portion of a roof, to be braced with an encircling $\frac{3}{8}$ x $1\frac{1}{2}$ inch iron band, connected by $\frac{1}{2}$ inch iron stays secured to rafters, two stays to each chimney.

Section 12

Roof of all buildings shall be covered with metal, tile or slag of an approved quality, slate or other non-com-

Charles Grant	Harold Elliot
Mrs. Grant, His Mother.....	Enid Gry
Herbert, His Brother.....	Jerry Devit
Miss Calahan	Hermione Sho

A very enjoyable tale of street car inspector's family living on the upper West Side of New York City, is to be seen at the Apollo this week. It is another follower of the very successful "Show Off."

Here are to be found the talkative mother who enthuses and glorifies her position until it unsettles the status of family life; the father, who is restless and erratic; the son, who wants to look after himself; the little girl, who doesn't like to practice, and the daughter who has rather outgrown the manners of her parents. Domesticity is the watchword of the group, but the surface reveals constant turbulence that is most too continuous to be real.

The play concerns the efforts

An Ordinance relating to the election qualification and term of office of Building Inspector and to regulate and control the manner of building dwelling houses and other buildings in Longport.

Be it Ordained by the Commissioners of the Borough of Longport that there shall be in Longport a department to be called the Building Department, which shall be furnished at the expense of the Borough with such supplies for the transaction of its business as the Commissioners may approve. Commissioners of Longport shall elect a suitable person, resident of Longport to be Building Inspector of said Borough, who shall hold his office until January 1st, and at the first stated meeting in January of each year there shall be elected a suitable person resident of Longport to be Building Inspector of said Borough for the term of one year, and until his successor shall be duly elected and qualified; and in case of any vacancy by death, resignation, disqualification, removal or otherwise, the Commissioners shall elect another person who shall be subject to all the penalties and provisions hereof for the remainder of the term so vacated. Such Building Inspector shall not
