### Epiphany Church

Welcome to the Epiphany Church, part of the Holy Trinity Parish and the only Roman Catholic Church in Longport. The Church originally cost \$175,000 to build. Can you guess how many people attended the first mass?...500! The former parishes of St. James in Ventnor, Blessed Sacrament in Margate, and Epiphany in Longport, closed and the new Holy Trinity Parish, Downbeach was formed in May 2010.

Clues for next stop:
